Re: Incentive for Early Resignation of Tenured Teachers

Dear Mr. Robinson:

Traditionally, Prince George's County Public Schools (PGCPS) has required tenured teachers to notify us of their intent to resign by July 15 of the current academic year. In an effort to encourage tenured teachers to provide early notification to PGCPS of their intent to resign for the 2008-2009 school year, we are offering an incentive of an extension of their benefits to August 31, 2009, if they notify us by **June 15, 2009**.

This offer would be a change in past practice and what is currently in the negotiated agreement. This agreement is for the 2008-2009 school year only and will not be construed in any way to be precedent setting.

Sincerely,
