

## **Help the Victims of the Devastating Earthquake in Haiti**

The massive earthquake in Haiti on January 12 has claimed thousands of lives, and injured countless others. The leadership of the Prince George's County Educators' Association wants to extend its condolences and support to this devastated nation. We know that many of our members will want to lend a hand of support to the people of Haiti, and to help with that support, PGCEA has put together the following list of web sites that you can visit to find out what is needed to help get this country back on its feet.

You can help the victims of the earthquake by going to the following web sites for information on everything from donations to locating friends and relatives:
