More than 500 county and state lawmakers will be elected this year. These officials decide every important education issue that affects your students, classroom, school, worksite, working conditions, benefits, paycheck, and pension. Be sure your voice is heard—VOTE!

Don’t stand in line—vote ahead of the crowds!
Now Marylanders have more than one day to cast their votes in both the primary and general elections. Choose a date that’s best for you!

Cast your vote at any of the Early Voting Centers in your county.
Visit the Early Voting link at www.elections.state.md.us to find the Early Voting Centers in your county.

What you need to know ...
- Any registered voter can vote during early voting.
- Voting during early voting is the same process as voting on election day. Simply check in and vote using the touchscreen system.
- At the end of each day of early voting, all voting equipment and other election supplies will be secured at the Early Voting Center. Votes are not tabulated until Primary and General Election days.

Visit www.elections.state.md.us for information about voter registration and Maryland’s new no-fault absentee voting.
